Just connect it !

▶ 11b Wireless and Broadband Solutions

UR012i

. Fast and reliable wireless connection.
. IEEE 802.11b compliance ensures communication compatibility.
. Installation wizard software provides smart and easy installation.
. Security features encrypt data to ensure privacy.
. Wireless roaming optimizes signal strength and quality among Access Points.

UR013i

MR011	:	Wireless-B 16-bit PCMCIA Adapter
MR012i	:	Wireless-B 32-bit Cardbus Adapter
CR012i	:	Wireless-B PCI Adapter
UR012i	:	Wireless-B USB Adapter (palm size)
UR013i	:	Wireless-B USB Adapter (pen size)
HR012i	:	Wireless-B Access Point
ISW050t	:	Wireless-B Broadband Router
ISW050u	:	Wireless-B Broadband Router with USB Printer Server

▶ 11g Wireless and Broadband Solutions

UR054g

. Super fast and reliable wireless connection.
. IEEE 802.11g compliance ensures communication compatibility.
. Backwards compatible with the popular 802.11b standard.
. Installation wizard software provides smart and easy installation.
. Supports industrial-strength WPA (Wi-Fi Protected Access) and 802.1x security.
. Wireless roaming optimizes signal strength and quality among Access Points.

HR054g

MR054g	:	Wireless-G Cardbus Adapter
CR054g	:	Wireless-G PCI Adapter
UR054g	:	Wireless-G USB Adapter (palm size)
UR055g	:	Wireless-G USB Adapter (pen size)
HR054g	:	Wireless-G Access Point
ISW054t	:	Wireless-G Broadband Router
ISW054u	:	Wireless-G Broadband Router with USB Printer Server

▶ 11 a+g Wireless Solutions

ISW054t

. Multimode 2.4/5GHz dual band compatible with the popular 802.11b, 802.11g, and 802.11a standard.
. Data rate up to 108 Mbps in the Super-AG-mode.
. IEEE 802.11a and 802.11g compliant ensures communication compatibility.
. Installation wizard software provides smart and easy installation.
. Supports industrial-strength WPA (Wi-Fi Protected Access) and 802.1x security.
. Wireless roaming optimizes signal strength and quality among Access Points.
